RE: Member Financial Disclosure Certifications and Federal Nexus Statement

Dear Chairman Cole and Ranking Member DeLauro:

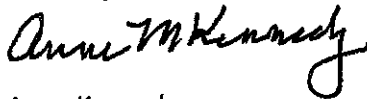

"I am requesting funding for the Bois Blanc Township River Harbor in fiscal year 2025. The entity to receive funding for this project is Bois Blanc Township/Bois Blanc Harbor Commission located at 431 Sioux Ave, Bois Blanc Island, MI 49775. (PO Box 898, Pointe Aux Pins, MI 49775)

The funding would be used for the development of a ferry landing and transportation facility on the Cheboygan River. The project is an appropriate use of taxpayer funds because it is necessary to expand, protect, and enhance public travel to and from a large island in the Straits of Mackinac with no other feasible form of public transportation (for passengers, as well as vehicles, cargo, supplies and equipment). Not only does this support business and commerce on the island, but this transportation route/source can also impact the health, safety and supplies necessary for the elderly and handicapped residents of, and visitors to, Bois Blanc Island.

The project has a Federal nexus because the funding provided is consistent with purposes authorized in 42 U.S.C.53605(a)(1), 5305(a)(2), 5305 (a)(4), and/or 5305(a)(5).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family."

Sincerely,

Anne Kennedy  
Treasurer, Bois Blanc Township
